AND SUMMARY OF POINTS TO BE ADDRESSED

This is to notify the Board that the International Brotherhood of Electrical Workers ("IBEW"), the International Association of Machinists and Aerospace Workers ("IAM"), the American Train Dispatchers Association ("ATDA"), and the National Conference of Firemen & Oilers - SEIU ("NCFO"), through their undersigned counsel, intend to speak at the hearing on March 3, 2004. We request five minutes to address the following points:

1. The Board should not act on the Application until the applicants resolve ambiguities in their Labor Impact Statement.
2. The Board should ensure that the transaction is not used to transfer work to Canada to evade the regulations of the FRA or to deprive employees of their New York Dock protection.

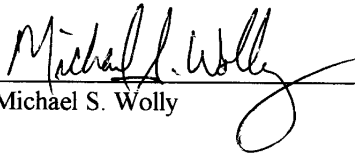

Respectfully submitted,
