Please place my name on the list of speakers re this docket at the hearing April 2, 2004 at Trenton, NJ. I wish to be in line for a three minute time slot anytime after 10:30 AM. I await your confirmation along with the place where the hearing will be held.

As background I sit on state, regional and county transoort boards and have done so since 1958. I am also a retired rail marketer, I wish to discuss several factors of the existence of the Conrail Shared Assets formation, which has not proved helpful to this conurbation.

I await your confirmation and hearing locale.
