Dear Mr. Williams:

On March 8, 2004, I filed a Notice of Exemption (Finance Docket No. 34484). In that Notice, I failed to specify who the transferor was, as required by CFR 1150.33 (e) 1.

The transferor of the various segments are as follows:

MP 35.1 to MP 56: The Commissioners of York County, PA.(Non-carriers). (The right-of-way was acquired by the Pennsylvania Department of Transportation, a non-carrier. Penn DOT then transferred its interests to the York County Commissioners. Previously, York County has leased the line to two different carriers. The most recent carrier to use the line, ceased using the line in the summer of 2002. Riffin proposes to lease the right-of-way from the Commissioners of York County, PA.)

MP 24.3 to MP 25.2: Scott Matthews, a non-carrier, owner of the right-of-way. [Riffin proposes to lease the right-of-way from Mr. Matthews. The right-of-way reverted back to Mr. Matthews' family when the right-of-way was abandoned in 1976.]

MP 14.2 to MP 15.1: Joshua F. D. Cockey, a non-carrier. [The senior heir of Frances F.D. Cockey, T. Gist Cockey, and Joshua F. Cockey, all of whom were the original owners of the right-of-way. Title to the right-of-way reverted back to its original owners when the right-of-way was abandoned in 1988 - 1990.]

MP 15.1 to MP 15.4 and MP 15.7 to MP 16.2: The heirs of William Jessop, a non-carrier. [William Jessop was the original owner of the two right-of-way segments. Title to the right-of-way segments reverted back to the original owner when the right-of-way was abandoned in 1976.]

MP 15.4 to MP 15.7: The heirs of George Jessop, a non-carrier. [George Jessop was the original owner of the right-of-way. Title to the right-of-way reverted back to the original owner when the right-of-way was abandoned in 1988 - 1990.]

Respectfully,

James Riffin dba The Northern Central Railroad
