RE: STB Finance Docket No. 34493
~~STB Finance Docket No. 34482~~
Verified Notice of Exemption of Old August Railroad, L

SURFACE
TRANSPORTATION BOARD

Dear Mr. Williams:

On behalf of Old Augusta Railroad, LLC ("Applicant"), we are filing the Verified Notice of Exemption anew.

On March 3, 2004, the Applicant filed its first Verified Notice of Exemption under STB Finance Docket No. 34482, and the Board acted on that Notice on March 23, 2004. We have subsequently learned that the Notice should have been filed under 49 C.F.R. 1150.31 instead of 49 C.F.R. 1150.41 because the applicant is a noncarrier. Consequently, we are filing the Notice again under 49 C.F.R. 1150.31.

Please find enclosed 10 copies of the Verified Notice and a check in the amount of \$1400 made payable to the Surface Transportation Board. If you have any questions concerning this matter, please contact me at (202) 682-7094.

Sincerely,

David J. Taylor

Section 1150.33(c)

Agreement

On February 26, 2004, Koch Cellulose, LLC ("Koch Cellulose"), the parent corporation of Applicant, signed a definitive agreement to acquire, among other things, substantially all of the assets of the Old Augusta Railroad Company, including its approximately 2.5 mile short-line railroad. Before closing of the transaction, Koch Cellulose will assign to Applicant its right to acquire substantially all of the assets of the Old Augusta Railroad Company.

Section 1150.33(d)

Identification of Operators of the Subject Property

The operator of the subject property will be Old Augusta Railroad, LLC.

Section 1150.33(e)

Summary of the Proposed Transaction

The name and address of the railroad transferring the subject property:

Old Augusta Railroad Company
c/o Georgia-Pacific Corporation
Leaf River Operations
P.O. Box 329
Buck Creek Road
New Augusta, MS 39462
Attn: Al Fordham

On February 26, 2004, Koch Cellulose, the parent corporation of Applicant, signed a definitive agreement with Georgia-Pacific Corporation ("Georgia-Pacific") and various subsidiaries of Georgia-Pacific to acquire Georgia-Pacific's non-integrated market and fluff pulp operations. In connection with this transaction, Koch Cellulose will acquire, among other things, Georgia-Pacific's Leaf River Pulp Mill in New Augusta, Mississippi and substantially all of the assets of the Old Augusta Railroad Company. Old Augusta Railroad Company currently operates an approximately 2.5 mile short-line railroad between the Leaf River Pulp Mill and the Canadian National Railway Company interchange. Before closing of the transaction, Koch Cellulose will transfer to Applicant its right to acquire substantially all of the assets of the Old Augusta Railroad Company. Accordingly, upon closing of the transaction, Applicant will acquire and operate the short-line railroad currently operated by the Old Augusta Railroad Company.

Subject to obtaining the necessary regulatory approvals, the transaction is expected to close the first week of May 2004.

The rail line is located in Perry County in the state of Mississippi, extending approximately 2.5 miles from New Augusta, Mississippi (Station No. FSAC 10) to Augusta, Mississippi (Station No. FSAC 20). There are no branch lines and no mile posts.

Section 1150.33(f)
Maps of Subject Property

A map of the rail line is attached hereto as Exhibit A.

Section 1150.33(g)
Class III Revenue Certification

The projected annual revenue of the Applicant will not exceed the annual revenue of a Class III railroad and will not result in the creation of a Class II or Class I rail carrier that would require processing under Section 1150.45. The Applicant's certification is attached hereto as Exhibit B.

Section 1150.42(d)
Historic Preservation

Applicant will preserve intact all sites and structures on the property that are more than 50 years old until compliance with Section 1056 of the National Historic Preservation Act, 16 U.S.C. Section 470f, is achieved. Since cessation of rail operations would require Board approval, there are no plans to dispose of or alter properties subject to Board jurisdiction that are 50 years old or older. No historic preservation report is required under 49 C.F.R. Section 1105.8(b)(1).

Section 1105.6(c)(2)
Environmental Documentation

The proposed transaction will not result in any changes in carrier operations. No environmental documentation is required under the criteria of 49 C.F.R. Section 1105.6(c)(2) because the proposed transaction continues rail service on existing tracks and will not cause operating changes that exceed the thresholds in 49 C.F.R. Section 1105.7(e)(4) or (5).

Section 1105.34
Caption Summary

A caption summary of the proposed transaction suitable for publication in the Federal Register is attached hereto as Exhibit C.

Respectfully Submitted,

NOTICE OF EXEMPTION

STB FINANCE DOCKET NO. 34493

OLD AUGUSTA RAILROAD, LLC -- Acquisition and Operation Exemption --
Assets of Old Augusta Railroad Company

Old Augusta Railroad, LLC ("OARLLC"), a noncarrier, has filed a Verified Notice of Exemption under 49 C.F.R. Section 1150.31 *et seq.* to acquire and operate a short line railroad currently operated by the Old Augusta Railroad Company ("OARC"). OARLLC indicates that, on February 26, 2004, Koch Cellulose, LLC ("Koch Cellulose"), the parent corporation of OARLLC, entered into an agreement with Georgia-Pacific Corporation ("Georgia-Pacific") and various subsidiaries of Georgia-Pacific to acquire Georgia-Pacific's non-integrated market and fluff pulp operations. In connection with this transaction, Koch Cellulose will also acquire Georgia-Pacific's Leaf River Pulp Mill in New Augusta, MS, and substantially all of the assets of OARC, including OARC's 2.5-mile short line railroad that it currently operates between the Leaf River Pulp Mill and the Canadian National Railway Company interchange. Before the closing of the transaction, Koch Cellulose will assign to OARLLC its right to acquire substantially all of the assets of OARC, and, upon the closing of the transaction, OARLLC will acquire and operate OARC's short line railroad.

OARLLC certifies that its projected annual revenues will not exceed those that would qualify it as a Class III rail carrier and will not result in the creation of a Class II or Class I rail carrier.

OARLLC states that it expects to consummate the transaction in the first week of May 2004.

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. , must be filed with the Surface Transportation Board, 1925 K Street, NW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on Raffaele G. Fazio, Esq., Senior Counsel, Koch Industries, Inc., P.O. Box 2256, Wichita, KS 67201.
