Re: STB Finance Docket No. 33388 (Sub-No. 91)
CSX Corporation et al. - Control and Operating Leases /
Agreements - Conrail Inc. et al. (General Oversight)

Dear Secretary Williams:

Pursuant to Decision No. 12 issued in the above-referenced proceeding on February 12, 2004, please be advised that the following shippers each wish to speak at the May 3, 2004 hearing at the Board in Washington, D.C. as indicated:

PA Distribution	Tim Rickenbaugh	5 minutes
Clark's Feed Mill	Rob Clark or Dennis Reitz	5 minutes

At the current time, the undersigned plans to attend with the shippers in the event the Board has legal issues it wants to have addressed.

Both shippers are located on lines served by the railroads controlled by Richard Robey in the area serviced by the SEDA-COG Joint Rail Authority ("JRA"). The shippers are part of the shippers group that has previously filed statements in support of the JRA's filings in the previous rounds of the oversight proceeding, but they handle different types of commodities, [largely] from different locations. The shippers understand that JRA will also be requesting the opportunity to speak. The shippers will attempt to coordinate their presentations with each other and with JRA to avoid undue repetition.
