Re: Notice of Consummation: Docket No. AB-416 (Sub-No. 4X), *San Bernardino Associated Governments – Abandonment Exemption – In San Bernardino County, CA*

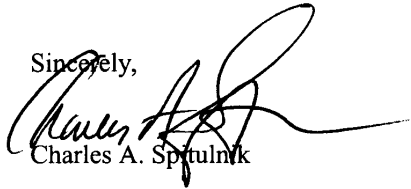

Dear Sir:

In accordance with 49 C.F.R. § 1152.29(e)(2), this is to advise the Surface Transportation Board ("STB" or "Board") that as of April 21, 2004, San Bernardino Associated Governments ("SANBAG") consummated the abandonment of its line of railroad that was the subject of the above proceeding and for which abandonment authority was authorized in a decision served on December 23, 2003 ("Decision"). SANBAG provided no freight service on this line, and thus has no tariffs to cancel with respect to service on the line.

The Board's Decision contained conditions that related to historic and environmental issues. SANBAG is complying with these conditions. The tracks on this segment were removed previously and SANBAG has no current plans to effect any changes to the right-of-way or bridges on this line segment.

Copies of this letter will be served by first-class mail upon the California Public Service Commission and the Department of Transportation in Sacramento, California. An extra copy of this letter is attached for date-stamp and return to our messenger. Please do not hesitate to contact me if you have any questions.

Sincerely,

Charles A. Spitulnik
