Finance Docket 27590 (Sub-No. 3)

TTX Company, *et al* – Application for Approval of Pooling of Car Service With Respect to Flatcars

Notice of The Greenbrier Companies re Oral Argument

Pursuant to the Decision of the Surface Transportation Board in this matter served June 22, 2004, The Greenbrier Companies, through their attorneys, Garvey Schubert Barer state that they do not intend to speak or participate at the oral argument set for July 7, 2004.

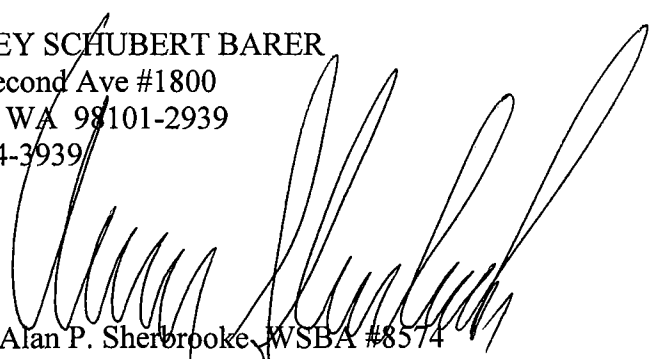

Greenbrier's position has not changed and is fully and completely stated in its comments filed April 7, 2004 and it does not wish to take any time away from other advocates at the oral argument. In sum those comments stated that the terms and conditions of a reauthorization of TTX's pooling authority should be for ten years and should remain unchanged from the prior grant.

DATED this 28th day of June 2004

Respectfully submitted,

GARVEY SCHUBERT BARER
