RE: Wabash Central Railroad Corporation - Operation Exemption -
Wabash Central, LLC; STB Finance Docket No. 33536 (STB served Jan. 16, 1998)

Dear Secretary Williams:

The purpose of this letter is to bring to the Board's attention the correction of a milepost number in the above captioned proceeding. We have discovered that in describing the subject line which extends for 26.4 miles between Craigville, IN and VanBuren, IN the milepost designation ascends from Craigville, IN in the east at milepost 117.82, VanBuren, IN in the west. However, the milepost indication for VanBuren, IN was incorrectly designated 108.6 whereas it should be designated 144.2 thereby accounting for the 26.4 mile length of the rail line involved. Wabash Central Railroad Corporation hereby requests that the STB notes this correction for its records and issue a corrected operation exemption notice reflecting the proper milepost designation for VanBuren, IN.

Thank you for your attention to this matter.

Very truly yours,

RICHARD R. WILSON, P.C.
