Re: Docket No. 41191 (Sub-No. 1, AEP Texas North Company
v. The Burlington Northern and Santa Fe Railway Company)

Dear Counsel:

Pursuant to the Board's decisions in Ex Parte No. 638 served April 3 and June 6, 2003, this is to advise that the Highly Confidential version of AEP Texas North Company's Rebuttal Evidence filed this date does not contain any AEP Texas material that needs to be redacted from that version prior to review by those in-house personnel of BNSF who have signed the Undertaking-Confidential Material accompanying the Board's Protective Order in this proceeding. The material within brackets {} denotes Highly Confidential material provided by BNSF that was removed from the Highly Confidential version to create the Public Version of AEP Texas' Reply filing. Accordingly, it need not be redacted prior to review by appropriate BNSF personnel.

Sincerely,

Christopher A. Mills
