

WESTERN COAL TRAFFIC LEAGUE

WCTL is an organization comprised of electric utilities and power generators that purchase coal mined in the western United States, and who pay for the transportation of that coal from western mines to their generating stations. WCTL members purchase over 140 million tons of coal annually. WCTL's principal mission is to encourage Congress, administrative agencies, and the courts to establish and apply standards that will help keep consumers' delivered coal prices at reasonable levels.

WCTL Members

Alliant Energy
Arizona Electric Power Cooperative, Inc.
Associated Electric Cooperative, Inc.
Cleco Corporation
City of Austin, Texas
City Public Service Board of San Antonio
Kansas City Power & Light Company
Lower Colorado River Authority
MidAmerican Energy Company
Minnesota Power
Nebraska Public Power District
NRG Power Marketing Inc.
Omaha Public Power District
Texas Genco, LP
Texas Municipal Power Agency
Westar Energy
Western Farmers Electric Cooperative
Wisconsin Public Service Corporation
Xcel Energy
