Re: Docket No. AB-882, *City of New Brighton, Minnesota -- Adverse Abandonment and Discontinuance -- Minnesota Commercial Railway in Ramsey County, MN*

Dear Mr. Williams:

On November 4, 2004, Minnesota Commercial Railway Company filed a Reply to Petition for Waiver and Exemption (Reply) in the above proceeding. At pages 5 and 6 of the Reply, a line of decisions was cited in which the Board has denied applications for adverse abandonment where the rail carrier operating the line has expressed a desire to continue operations and has taken reasonable steps to acquire traffic.

On November 19, 2004, the Board issued a decision in its Docket No. AB-600, *Yakima Interurban Lines Association -- Adverse Abandonment -- in Yakima County, WA*, in which an application for adverse abandonment was denied on similar grounds to that relied on in that line of decisions. The Board is hereby respectfully requested to take official notice of that decision in considering the application for adverse abandonment that is said to be imminent in the docket captioned above.

Ten copies accompany the original of this request for official notice. All parties are being served. Kindly acknowledge receipt by date stamping the enclosed duplicate copy of this letter and return in the self-addressed stamped envelope.

Very truly yours,

Tom McFarland
