JOINT STATUS REPORT ON DISCOVERY

Pursuant to the Board's November 23, 2004 order requiring the parties to this proceeding to engage in discussions in an attempt to resolve their discovery disputes, CF Industries, Inc. ("CFI") and Kaneb Pipe Line Partners, L.P. and Kaneb Pipe Line Operating Partnership, L.P. (collectively, "Kaneb"), hereby submit this joint status report detailing the parties' progress regarding discovery.

In its November 23, 2004 order, the Board stated that:
As a general rule, the Board expects parties to try to resolve their differences on their own before involving the Board. There is no indication that has occurred here. If, after making a good faith attempt to resolve any disputes over the particulars of the discovery requests, the parties are still at an impasse, they should notify the Board in writing by December 10, 2004. At that point, should it still be necessary, the Board will intervene and decide whether a discovery conference will be conducted prior to the issuance of a final decision concerning CFI's motion to compel discovery.

The parties have made a good faith attempt to resolve their disputes over the

particulars of CFI's discovery requests. In fact, the parties have resolved all of their discovery disputes, with the exception of one request, Interrogatory Number 28, on which the parties remain at an impasse. Accordingly, the parties jointly request that the Board conduct a discovery conference on this one remaining discovery request prior to the issuance of a final decision concerning CFI's motion to compel discovery.

Respectfully submitted,
