Re: New England Transrail, LLC, d/b/a Wilmington & Woburn
Terminal Railway-Petition for Exemption-Construction and
Operation as a rail carrier on tracks and lands acquired
from Olin Corporation.

Petition for Reconsideration
FD 34391

Dear Mr. Williams:

Petitioner, New England Transrail, hereby respectfully requests that its petition for reconsideration of the decision of the Board, dated May 3, 2005 be withdrawn.

Petitioner intends to re-file as is suggested by the Board in its decision of May 3, 2005 rather than to pursue the current petition further. We request that the exhibits appended to the withdrawn petition be retained by the Board and that New England Transrail be excused from re-filing them as exhibits to the new petition when it is filed. They represent a significant volume of material and reproducing them again would represent a waste of resources and of the Board's filing space.

Thank you for your consideration of this request.

Very truly yours,

John F. McHugh
