RE: **STB Docket No. AB-254 (Sub-No. 8X)**
Providence and Worcester Railroad Company ("P&W")
East Providence, Rhode Island
Petition for Exemption for Abandonment

Dear Secretary Williams:

This letter is in response to the June 29, 2005 filing by the Rhode Island Department of Transportation ("RIDOT") regarding the abandonment of portions of the East Providence and East Junction branch lines in East Providence, Rhode Island (collectively, the "Property") and RIDOT's request for a Public Use Condition and an Interim Trail Use Condition. I have enclosed ten (10) copies for your convenience.

P&W and RIDOT have been working together over the last year on the East Providence waterfront development project and anticipate that the Property will be used for highway purposes, trail and bike path use and utility easements. P&W fully supports RIDOT's requests and looks forward to entering into an agreement with RIDOT in the near future.

Please do not hesitate to contact me if you have any questions or need any further information.

Very truly yours,

Amy Silverstein
Assistant General Counsel
