MOTION FOR PROTECTIVE ORDER

---

Paducah & Louisville Railway, Inc. (“PAL”) and CSX Transportation, Inc. (“CSXT”), jointly referred to as “Applicants”, pursuant to 49 C.F.R. § 1104.14(b), file this Motion for Protective Order (the “Motion”) for approval to file under seal portions of the draft Land Lease and Purchase of Rail Improvements Agreement (the “Agreement”) between PAL and CSXT.

Applicants will be filing an Application pursuant to 49 C.F.R. § 1180 for PAL to acquire from CSXT 124.5 miles of CSXT line running between Evansville, IN, milepost OOH-324.0, and Okawville, IL, milepost OOH-445.7, including the Mt. Vernon Branch between milepost OZJ-300 and milepost OZJ-302.8 (the “Line”). PAL will purchase the track, ties, and other track material and will lease the real property from CSXT (the “Transaction”).

The Agreement contains highly sensitive information that could harm Applicants if those terms were made public. The Agreement contains proprietary commercial information that if disclosed could be competitively damaging. Moreover, public disclosure of the commercially sensitive provisions of the Agreement is not necessary for the disposition of the Application. Applicants will file a redacted version of the Agreement with their Application and will file an unredacted version under seal.

Accompanying this Motion are a draft Protective Order and Undertakings, which are similar to those recently issued by the Board. See *Buckingham Branch Railroad Company—Lease—CSX Transportation, Inc.*, STB Finance Docket No. 34495 (STB served June 4, 2004); *Stillwater Central Railroad, Inc.—Trackage Rights Exemption—The Burlington Northern and Santa Fe Railway Company*, STB Finance Docket No. 34489 (STB served April 14, 2004), *New Orleans & Gulf Coast Railway Company, Inc.—Lease Exemption—Union Pacific Railroad Company*, STB Finance Docket No. 34411 (STB served March 24, 2004), *Norfolk Southern Railway Company—Trackage Rights Exemption—Western New York & Pennsylvania, LLC*, STB Finance Docket No. 34470 (STB served March 3, 2004) and *Kansas City Southern—Control—The Kansas City Southern Railway Company, Gateway Eastern Railway Company, And The Texas Mexican Railway Company*, STB Finance Docket No. 34342 (Decision No. 1) (STB served May 13, 2003). Applicants contend that they have demonstrated good cause for the Board to issue the Protective Order.

Applicants pray that the Board grant their Motion for a Protective Order.

Respectfully submitted,

## APPENDIX

### PROTECTIVE ORDER

#### 1. For purposes of this Protective Order:

(a) "Confidential Documents" means documents and other tangible materials containing or reflecting Confidential Information.

(b) "Confidential Information" means traffic data (including but not limited to waybills, abstracts, study movement sheets, and any documents or computer tapes containing data derived from waybills, abstracts, study movement sheets, or other data bases, and cost work papers); the identification of shippers and receivers in conjunction with shipper-specific or other traffic data; the confidential terms of contracts with shippers or carriers; confidential financial and cost data; divisions of rates, trackage rights compensation levels and other compensation between carriers; and other confidential or proprietary business or personal information.

(c) "Designated Material" means any documents designated or stamped as "CONFIDENTIAL" or "HIGHLY CONFIDENTIAL" in accordance with paragraph 2 or 3 of this Protective Order and any Confidential Information contained in such materials.

(d) "Proceedings" means those before the Surface Transportation Board ("Board") concerning the transaction in STB Finance Docket No. 34738, and any related proceedings before the Board, and any judicial review proceedings arising from STB Finance Docket No. 34738 or from any related proceedings before the Board.

2. Personnel of CSX Transportation, Inc. ("CSXT"), Paducah & Louisville Railway, Inc. ("PAL") and their affiliates, including outside consultants and attorneys for any of them (representatives), may exchange Confidential Information for the purpose of participating in the Proceedings, but not for any other business, commercial, or other competitive purpose, unless and until the application in the Proceedings is approved.

3. To the extent that any meetings, conferences, exchanges of data, or other cooperative efforts between representatives of CSXT, PAL or their affiliates are held and carried out for purposes of these Proceedings, such meetings, conferences, exchanges of data and other cooperative efforts are deemed essential for the conduct and disposition of such Proceedings and will not be deemed a violation of 49 U.S.C. §§11323 or 11904, or any other relevant provision of the ICC Termination Act of 1995 (ICCTA).

4. If the Application is disapproved by the Board, then all Confidential Documents (other than file copies of pleadings and other documents filed with the Board and retained by outside counsel for a party to these proceedings) that are exchanged between CSXT, PAL and their affiliates but which are not otherwise available to them as a result of their existing affiliation and pursuant to their reporting responsibilities for securities, tax and other purposes, must be

destroyed or returned to the party originating the Confidential Information contained or reflected in such Confidential Documents. With respect to parties other than CSXT, PAL and their affiliates, if the Application is disapproved by the Board, or if the Application is approved but control is not effected, or if no Application is filed, then all Confidential Documents, other than file copies of pleadings and other documents filed with the Board and retained by outside counsel for a party to these proceedings, must be destroyed or returned to the party originating the Confidential Information contained or reflected in such Confidential Documents.

5. If any party to these Proceedings determines that any part of a document it submits, discovery request it propounds, discovery response it produces, transcript of a deposition or hearing in which it participates, or pleading or other paper to be submitted, filed, or served in these Proceedings contains Confidential Information or consists of Confidential Documents, then that party may designate and stamp such Confidential Information and Confidential Documents as "CONFIDENTIAL." Any information or documents designated or stamped as "CONFIDENTIAL" shall be handled as provided for hereinafter, except that no prohibition in any subsequent paragraph is applicable to an exchange of information pursuant to paragraphs 2 and 3 of this Protective Order.

6. If any party to these Proceedings determines that any part of a document it submits, discovery request it propounds, or a discovery response it produces, or a transcript of a deposition or hearing in which it participates, or pleading or other paper to be submitted, filed, or served in these Proceedings contains shipper-specific rate or cost data; division of rates, trackage rights compensation levels, other compensation between carriers; or other competitively sensitive or proprietary information, then that party may designate and stamp such Confidential Information as "HIGHLY CONFIDENTIAL." Any information or documents so designated or stamped shall be handled as provided hereinafter, except that no prohibition in any subsequent paragraph is applicable to an exchange of information pursuant to paragraphs 2 and 3 of this Protective Order.

7. Information and documents designated or stamped as "CONFIDENTIAL" may not be disclosed in any way, directly or indirectly, or to any person or entity except to an employee, counsel, consultant, or agent of a party to these Proceedings, or an employee of such counsel, consultant, or agent, who, before receiving access to such information or documents, has been given and has read a copy of this Protective Order and has agreed to be bound by its terms by signing a confidentiality undertaking substantially in the form set forth at Exhibit A to this Protective Order.

8. Information and documents designated or stamped as "HIGHLY CONFIDENTIAL" may not be disclosed in any way, directly or indirectly, to any employee of a party to these Proceedings, or to any other person or entity except to an outside counsel or outside consultant to a party to these Proceedings, or to an employee of such outside counsel or outside consultant, who, before receiving access to such information or documents, has been given and has read a copy of this Protective Order and has agreed to be bound by its terms by signing a confidentiality undertaking substantially in the form set forth at Exhibit B to this Protective Order.

9. All parties must file simultaneously a public version of any Highly Confidential or Confidential submission filed with the Board whether the submission is designated a Highly Confidential Version or Confidential Version. When filing a Highly Confidential Version, the filing party does not need to file a Confidential Version with the Board, but must make available (simultaneously with the party's submission to the Board of its Highly Confidential Version) a Confidential Version reviewable by any other party's in-house counsel. The Confidential Version may be served on other parties in electronic format only. In lieu of preparing a Confidential Version, the filing party may (simultaneously with the party's submission to the Board of its Highly Confidential Version) make available to outside counsel for any other party a list of all "highly confidential" information that must be redacted from its Highly Confidential Version prior to review by in-house personnel, and outside counsel for any other party must then redact that material from the Highly Confidential Version before permitting any clients to review the submission.

10. Any party to these Proceedings may challenge the designation by any other party of information or documents as "CONFIDENTIAL" or as "HIGHLY CONFIDENTIAL" by filing a motion with the Board or with an administrative law judge or other officer to whom authority has been lawfully delegated by the Board to adjudicate such challenges.

11. Designated Material may not be used for any purposes, including without limitation any business, commercial or competitive purposes, other than the preparation and presentation of evidence and argument in STB Finance Docket No. 34738, any related proceedings before the Board, and/or any judicial review proceedings in connection with STB Finance Docket No. 34738 and/or with any related proceedings.

12. Any party who receives Designated Material in discovery shall destroy such materials and any notes or documents reflecting such materials (other than file copies of pleadings or other documents filed with the Board and retained by outside counsel for a party to these Proceedings) at the earlier of: (1) such time as the party receiving the materials withdraws from these Proceedings, or (2) the completion of these Proceedings, including any petitions for reconsideration, appeals or remands.

13. No party may include Designated Material in any pleading, brief, discovery request or response, or other document submitted to the Board, unless the pleading or other document is submitted under seal, in a package clearly marked on the outside as "Confidential Materials Subject to Protective Order." See 49 CFR 1104.14. All pleadings and other documents so submitted shall be kept confidential by the Board and shall not be placed in the public docket in these Proceedings except by order of the Board or of an administrative law judge or other officer in the exercise of authority lawfully delegated by the Board.

14. No party may include Designated Material in any pleading, brief, discovery request or response, or other document submitted to any forum other than this Board in these Proceedings unless: (1) the pleading or other document is submitted under seal in accordance with a protective order that requires the pleading or other document to be kept confidential by that tribunal and not be placed in the public docket in the proceeding, or (2) the pleading or other document is submitted in a sealed package clearly marked, "Confidential Materials Subject to

Request for Protective Order,” and is accompanied by a motion to that tribunal requesting issuance of a protective order that would require the pleading or other document be kept confidential and not be placed in the public docket in the proceeding, and requesting that if the motion for protective order is not issued by that tribunal, the pleading or other document be returned to the filing party.

15. No party may present or otherwise use any Designated Material at a Board hearing in these Proceedings, unless that party has previously submitted, under seal, all proposed exhibits and other documents containing or reflecting such Designated Material to the Board, to an administrative law judge or to another officer to whom relevant authority has been lawfully delegated by the Board, and has accompanied such submission with a written request that the Board, administrative law judge or other officer: (a) restrict attendance at the hearing during any discussion of such Designated Material, and (b) restrict access to any portion of the record or briefs reflecting discussion of such Designated Material in accordance with this Protective Order.

16. If any party intends to use any Designated Material in the course of any deposition in these Proceedings, that party shall so advise counsel for the party producing the Designated Material, counsel for the deponent, and all other counsel attending the deposition. Attendance at any portion of the deposition at which any Designated Material is used or discussed shall be restricted to persons who may review that material under the terms of this Protective Order. All portions of deposition transcripts or exhibits that consist of, refer to, or otherwise disclose Designated Material shall be filed under seal and be otherwise handled as provided in paragraph 10 of this Protective Order.

17. To the extent that materials reflecting Confidential Information are produced by a party in these Proceedings, and are held and/or used by the receiving person in compliance with paragraphs 1, 2, 5 or 6 above, such production, disclosure, holding, and use of the materials and of the data that the materials contain are deemed essential for the disposition of this and any related proceedings and will not be deemed a violation of 49 U.S.C. §11904 or of any other relevant provision of the ICC Termination Act of 1995.

18. All parties must comply with all of the provisions of this Protective Order unless the Board or an administrative law judge or other officer exercising authority lawfully delegated by the Board determines that good cause has been shown warranting suspension of any of the provisions herein.

19. Nothing in this Protective Order restricts the right of any party to disclose voluntarily any Confidential Information originated by that party, or to disclose voluntarily any Confidential Documents originated by that party, if such Confidential Information or Confidential Documents do not contain or reflect any Confidential Information originated by any other party.
