Finance Docket No. 32299 (Sub-No. 1)

NORFOLK SOUTHERN RAILWAY COMPANY
—CONSOLIDATION OF OPERATIONS—
CSX TRANSPORTATION, INC.

JOINT MOTION FOR PROTECTIVE ORDER

Pursuant to 49 C.F.R. § 1104.14(b), CSX Transportation, Inc. (“CSXT”) and Norfolk Southern Railway Company (“NSR”) hereby move the Surface Transportation Board (“Board”) for a Protective Order (in the form set forth in Appendix A hereto) in the above-captioned proceeding. The order is required to permit CSXT and NSR to submit to the Board two agreements that contain highly sensitive commercial terms, and (if necessary) to make those agreements available to outside counsel for interested parties solely for use in this proceeding.

CSXT and NSR have filed today in this proceeding a Joint Petition For Supplemental Order (“Joint Petition”) pursuant to 49 U.S.C. § 11327, seeking authority for NSR and CSXT to carry out a minor modification to one aspect of a series of transactions approved by the Interstate Commerce Commission (“ICC”) in a decision served November 26, 1993 in the main docket. That modification is for CSXT, rather than NSR, to perform switching services for both carriers in the Newberry, SC area. Specifically, (1) NSR will cease operations over CSXT trackage between Milepost 33.1 and Milepost 47.5 in Newberry County, SC, which NSR uses to perform switching services in the Newberry, SC area for both itself and CSXT; and (2) CSXT will acquire rights over NSR tracks to operate (i) between NSR Milepost V 47.1 and NSR Milepost V

49.0 in Newberry County, SC and (ii) between NSR Milepost V 42.0 and NSR Milepost V 36.0 in Prosperity, SC, for the sole purpose of performing switching operations for the customers of both carriers.

Attached to the Joint Petition are two agreements (the “Agreements”) that CSXT and NSR have executed to carry out the desired modification: a 2005 Newberry Operating Rights Agreement and a 2005 Newberry Switching Agreement. CSXT and NSR are submitting (under seal) with this Motion complete and unredacted copies of both Agreements. A public version of the 2005 Newberry Operating Rights Agreement (from which confidential material has been redacted) is attached as Exhibit 4 to the Joint Petition; a public version of the 2005 Newberry Switching Agreement (from which confidential material has been redacted) is attached as Exhibit 5 to the Joint Petition.

The information redacted from the public versions of the Agreements is highly confidential, commercially sensitive information relating to the compensation payable in consideration of the rights granted under those Agreements. The proposed Protective Order is necessary to protect this highly confidential information from public disclosure. The requested Protective Order will enable CSXT and NSR to present the Agreements to the Board (and, if necessary, to outside counsel for interested parties), while at the same time preserving the confidentiality of that sensitive information.

The proposed Protective Order is modeled substantially on similar orders that the Board has entered in other recent proceedings. However, CSXT and NSR contemplate that only a Highly Confidential and a Public version of the Agreements will be produced.

Accordingly, CSXT and NSR request that a Protective Order be entered, in the form set forth in Appendix A to this Motion, including the forms of confidentiality undertakings that accompany it.

Respectfully submitted,

APPENDIX A
PROTECTIVE ORDER

1. For purposes of this Protective Order:
 - (a) "Confidential Documents" means documents and other tangible materials containing or reflecting Confidential Information.
 - (b) "Confidential Information" means traffic data (including but not limited to waybills, abstracts, study movement sheets, and any documents or computer tapes containing data derived from waybills, abstracts, study movement sheets, or other data bases, and cost work papers), the identification of shippers and receivers in conjunction with shipper-specific or other traffic data, the confidential terms of contracts with shippers, or carriers, confidential financial and cost data, and other confidential or proprietary business or personal information.
 - (c) "Designated Material" means any documents designated or stamped as "CONFIDENTIAL" or "HIGHLY CONFIDENTIAL" in accordance with Paragraph 2 or 3 of this Protective Order, and any Confidential Information contained in such materials.
 - (d) "Proceedings" means those before the Surface Transportation Board ("Board") concerning the Joint Petition For Supplemental Order filed in Finance Docket No. 32299 (Sub-No. 1) and any related proceedings before the Board, and any judicial review proceedings arising from Finance Docket No. 32299 (Sub-No. 1) or from any related proceedings before the Board.
2. If any party to these Proceedings determines that any part of a document it submits, discovery request it propounds, or a discovery response it produces, or a transcript of a deposition or hearing in which it participates, or of a pleading or other paper to be submitted, filed or served in these Proceedings contains Confidential Information or consists of Confidential Documents, then that party may designate and stamp such Confidential Information and Confidential Documents as "CONFIDENTIAL." Any information or documents designated or stamped as "CONFIDENTIAL" shall be handled as provided for hereinafter.
3. If any party to these Proceedings determines that any part of a document it submits, discovery request it propounds, or a discovery response it produces, or a transcript of a deposition or hearing in which it participates, or of a pleading or other paper to be submitted, filed or served in these Proceedings contains shipper-specific rate or cost data, trackage rights compensation levels or other competitively sensitive or proprietary information, then that party may designate and stamp such Confidential Information as "HIGHLY CONFIDENTIAL." Any information or documents so designated or stamped shall be handled as provided hereinafter.
4. Information and documents designated or stamped as "CONFIDENTIAL" may not be disclosed in any way, directly or indirectly, or to any person or entity except to an

employee, counsel, consultant, or agent of a party to these Proceedings, or an employee of such counsel, consultant, or agent, who, before receiving access to such information or documents, has been given and has read a copy of this Protective Order and has agreed to be bound by its terms by signing a confidentiality undertaking substantially in the form set forth at Exhibit A to this Order.

5. Information and documents designated or stamped as "HIGHLY CONFIDENTIAL" may not be disclosed in any way, directly or indirectly, to any employee of a party to these Proceedings, or to any other person or entity except to an outside counsel or outside consultant to a party to these Proceedings, or to an employee of such outside counsel or outside consultant, who, before receiving access to such information or documents, has been given and has read a copy of this Protective Order and has agreed to be bound by its terms by signing a confidentiality undertaking substantially in the form set forth at Exhibit B to this order.
6. Any party to these Proceedings may challenge the designation by any other party of information or documents as "CONFIDENTIAL" or as "HIGHLY CONFIDENTIAL" by filing a motion with the Board or with an administrative law judge or other officer to whom authority has been lawfully delegated by the Board to adjudicate such challenges.
7. Designated Material may not be used for any purposes, including without limitation any business, commercial or competitive purposes, other than the preparation and presentation of evidence and argument in Finance Docket No. 32299 (Sub-No. 1) any related proceedings before the Surface Transportation Board, and/or any judicial review proceedings in connection with Finance Docket No. 32299 (Sub-No. 1) and/or with any related proceedings.
8. Any party who receives Designated Material in discovery shall destroy such materials and any notes or documents reflecting such materials (other than file copies of pleadings or other documents filed with the Board and retained by outside counsel for a party to these Proceedings) at the earlier of: (1) such time as the party receiving the materials withdraws from these Proceedings, or (2) the completion of these Proceedings, including any petitions for reconsideration, appeals, or remands.
9. No party may include Designated Material in any pleading, brief, discovery request or response, or other document submitted to the Board, unless the pleading or other document is submitted under seal, in a package clearly marked on the outside as "Confidential Materials Subject to Protective Order." *See* 49 C.F.R. § 1104.14. All pleadings and other documents so submitted shall be kept confidential by the Board and shall not be placed in the public docket in these Proceedings except by order of the Board or of an administrative law judge or other officer in the exercise of authority lawfully delegated by the Board.
10. No party may include Designated Material in any pleading, brief, discovery request or response, or other document submitted to any forum other than this Board in these Proceedings unless (1) the pleading or other document is submitted under seal in accordance with a protective order that requires the pleading or other document to be kept

confidential by that tribunal and not be placed in the public docket in the proceeding, or (2) the pleading or other document is submitted in a sealed package clearly marked, "Confidential Materials Subject to Request for Protective Order," and is accompanied by a motion to that tribunal requesting issuance of a protective order that would require the pleading or other document be kept confidential and not be placed in the public docket in the proceeding, and requesting that if the motion for protective order is not issued by that tribunal, the pleading or other document be returned to the filing party.

11. No party may present or otherwise use any Designated Material at a Board hearing in these Proceedings, unless that party has previously submitted, under seal, all proposed exhibits and other documents containing or reflecting such Designated Material to the Board, to an administrative law judge or to another officer to whom relevant authority has been lawfully delegated by the Board, and has accompanied such submission with a written request that the Board, administrative law judge or other officer (a) restrict attendance at the hearing during any discussion of such Designated Material, and (b) restrict access to any portion of the record or briefs reflecting discussion of such Designated Material in accordance with this Protective Order.
12. If any party intends to use any Designated Material in the course of any deposition in these Proceedings, that party shall so advise counsel for the party producing the Designated Material, counsel for the deponent, and all other counsel attending the deposition. Attendance at any portion of the deposition at which any Designated material is used or discussed shall be restricted to persons who may review that material under the terms of this Protective Order. All portions of deposition transcripts or exhibits that consist of, refer to, or otherwise disclose Designated Material shall be filed under seal and be otherwise handled as provided in Paragraph 9 of this Protective Order.
13. To the extent that materials reflecting Confidential Information are produced by a party in these Proceedings, and are held and/or used by the receiving person in compliance with Paragraphs 1, 2 or 3 above, such production, disclosure, holding, and use of the materials and of the data that the materials contain are deemed essential for the disposition of this and any related proceedings and will not be deemed a violation of 49 U.S.C. § 11904 or of any other relevant provision of the ICC Termination Act of 1995.
14. All parties must comply with all of the provisions of this Protective Order unless the Board or an administrative law judge or other officer exercising authority lawfully delegated by the Board determines that good cause has been shown warranting suspension of any of the provisions herein.
15. Nothing in this Protective Order restricts the right of any party to disclose voluntarily any Confidential Information originated by that party, or to disclose voluntarily any Confidential Documents originated by that party, if such Confidential Information or Confidential Documents do not contain or reflect any Confidential Information originated by any other party.
