Re: STB Docket No. AB-857X Great Western Railway of Colorado,
LLC – Abandonment Exemption -- In Weld County, Colorado

Dear Secretary Williams:

By decision and notice of interim trail use or abandonment ("NITU"), served on April 7, 2004, the Board reopened this proceeding and authorized a 180-day period for the Municipalities of Eaton, Severance, and Windsor, CO ("Municipalities") to negotiate an interim trail use/rail banking agreement with Great Western Railway of Colorado, LLC ("GWRC") for the 11.7-mile rail line authorized for abandonment in this proceeding (the "Line"). By decision served October 27, 2004, the Board extended the negotiation period to April 2, 2005, and by decision served April 14, 2005, the Board extended the negotiation period to September 29, 2005.

GWRC hereby requests the Board to extend the NITU negotiating period for an additional 180 days. GWRC has not consummated the abandonment of the Line and the parties are continuing to negotiate an agreement.

Where, as here, the carrier has not consummated abandonment and the parties are willing to continue trail use negotiations, the Board retains jurisdiction and the NITU negotiating period may be extended.

Attached please find a check covering the \$350 filing fee.
