Re: Surface Transportation Board Docket No. AB-290 (Sub-No. 257X),
Norfolk Southern Railway Company - Abandonment Exemption - In
Blackford County, Indiana

Dear Mr. Williams:

Norfolk Southern Railway Company consents to the extension of the interim trail use negotiation period condition with respect to the proposed abandonment of 8.60 miles of NSR railroad line between Milepost RK-130.0 at Converse, IN and Milepost RK-138.60 at Hartford City, IN that is the subject of request by Indiana Trails Fund, Inc. in a letter to the Board, dated today. NSR has not consummated abandonment of the line and has not discontinued negotiations with ITF. We understand that the brief delay in ITF's request for an extension of the previously imposed trail use negotiation condition was due to the untimely death of a principal's family member.

Very truly yours,

James R. Paschall
