Dear Sir,

This is to inform you that I would like to testify at the hearings you have scheduled on Weds., Oct. 19 on the 25th Anniversary of the Staggers Rail Act of 1980. My name is Paul A. London. I am the author of a book entitled "The Competition Solution, The Bipartisan Secret behind American Prosperity" which was published by the AEI Press in March, 2005. The book points to the Staggers Act as one of several important and surprising decisions in the 1970s and early 1980s that opened the American economy and made prosperity without inflation possible.
