UNOPPOSED MOTION FOR EXTENSION OF TIME

The Brotherhood of Locomotive Engineers and Trainmen requests a two-week extension of the time within which it may respond to the Motion for Summary Judgment filed by the BNSF Railway Company. The reason for the extension is that the parties have been discussing whether the dispute between them can be settled and whether intervening events have made further litigation unnecessary. This extension will permit those discussions to continue.

BLET's response is presently due March 24; if granted, the extension will give BLET until April 3 to respond. BNSF does not oppose the granting of this Motion.

Respectfully submitted,
