BEFORE THE SURFACE TRANSPORTATION BOARD

RE: Union Pacific Railroad Abandonment, Hardin County Iowa;
Docket # AB-33 (Sub-No. 168X) – Eldora Junction Line in Eldora, Iowa

Motion to Extend the Time Period for Negotiation of an Interim Trail Use/Railbanking Agreement

The City of Eldora and the Iowa Natural Heritage Foundation (INHF) hereby request the Surface Transportation Board (STB or Board) to extend the time period for negotiation of a mutually acceptable interim trail use/railbanking agreement in this proceeding up and including **October 8, 2006**.

The parties involved need more time to complete the appraisals and finalize the acquisition of the corridor. To successfully preserve this corridor for interim trail use and railbanking under section 8(d) of the National Trails System Act, 16 U.S.C. 1247 (d), it is necessary for the negotiation period under the NITU to be extended up to and including October 8, 2006. See Policy Statement on Rails to Trails Conversions, Ex Parte No. 274 (Sub. No. 13b) (ICC served Feb. 5, 1990) (extensions of time promote the establishment of trails and railbanking consistent with the National Trails System Act).

Since the issuance of the NITU, UPRR at all points has maintained intent to transfer the line intact for interim trail use. The railroad has not sold, or offered for sale, any parcels of land that would interfere with interim trail use and

railbanking of the portion of the corridor that is covered by the NITU (Eldora Junction). The line remains intact and throughout the period, the railroad has been negotiating with INHF for the transfer or sale of the corridor intact. Accordingly, the Board retains jurisdiction to extend the NITU to continue bona fide and active negotiations for interim trail use of the line.

In similar instances, this Board has reopened proceedings to permit the issuance of orders implementing section 8(d) for rail lines. The STB's authority to extend a NITU was upheld in Birt v. STB, 90 F.3d 580 (D.C. Cir. 1996). Here the parties merely seek an extension in the period for negotiation provided in a previously issued NITU. Such an extension will promote and further the purposes of the Trails Act.

For the reasons stated, the City of Eldora and the Iowa Natural Heritage Foundation requests that an extension of the NITU negotiation period be granted through **October 8, 2006**.

Respectfully Submitted,

, Manager
City of Eldora
