BAY COLONY RAILROAD CORPORATION--MODIFIED RAIL CERTIFICATE

Finance Docket No. 34698

BAY COLONY RAILROAD CORPORATION--
PETITION FOR DECLARATORY ORDER

JOINT STATUS REPORT AND REQUEST TO CONTINUE
TO HOLD PROCEEDINGS IN ABEYANCE

The Board has granted several prior requests of the Massachusetts Bay Transportation Authority ("MBTA") and Bay Colony Railroad Corporation ("Bay Colony") to hold the above captioned proceedings in abeyance in order to afford the parties an opportunity to discuss settlement of the issues and has directed the parties to report on the status of their discussions. The next report is due on May 5, 2006. For the reasons outlined below, the MBTA and Bay Colony respectfully request the Board to continue to hold these matters in abeyance in order to enable the parties to complete their negotiations.

In an order served on January 5, 2006, the Board granted the request of the MBTA to dismiss the notice of termination by which the MBTA had sought to terminate the rights of Bay Colony to operate on the Millis Industrial Track. The parties have continued to negotiate a trackage rights agreement that would supplement and amplify the terms and conditions governing Bay Colony's operation on the Millis Industrial Track. Agreement on the final form

of the trackage rights agreement has been reached, subject only to the approval of the Board of Directors of the MBTA. The Board will consider the trackage rights agreement at its meeting scheduled for May 5, 2006. If the MBTA Board approves the trackage rights agreement, the parties contemplate that they will seek the dismissal of Bay Colony's petition for declaratory order and will file appropriate notices of exemption concerning the status of, and Bay Colony's operation on, the Millis Industrial Track.

Given the substantial progress made thus far and the need to complete the actions described above, the MBTA and Bay Colony request the Board to continue to hold these proceedings in abeyance for an additional 60 days.

Respectfully submitted,

MASSACHUSETTS BAY
TRANSPORTATION AUTHORITY

BAY COLONY
RAILROAD CORPORATION
