Re: New England Transrail, LLC d/b/a Wilmington & Woburn Terminal Railway —
Petition for an Exemption from 49 U.S.C. §10901 to Acquire, Construct and
Operate as a Rail Carrier on Tracks and Land in Wilmington and Woburn, MA
Finance Docket No. 34797

Dear Secretary Williams:

We were recently contacted by a staff member from the STB indicating that the comments that Ohio EPA submitted electronically on July 13 failed to include a statement indicating that they had been served on the other parties in this case. We apparently misunderstood this procedural requirement.

As a result, please accept the attached certification statement indicating that these comments have now been served on all other parties as required.

Thank you for your attention to this matter.

Sincerely,

Bill Fischbein
