Re: Finance Docket No. 34890, *PYCO Industries, Inc. -- Feeder Line Development --
South Plains Switching, Ltd. Co.*

Dear Mr. Williams:

SOUTH PLAINS SWITCHING, LTD. CO. (SAW), respondent in the above proceeding, hereby respectfully requests that the procedural schedule in the above proceeding be modified to provide SAW the opportunity to reply to competing feeder line application to be filed by KEOKUK JUNCTION RAILWAY COMPANY (KJRY) within 14 days after its filing, i.e., on or before August 18, 2006.

The current filing date for SAW's reply to feeder line applications, which is August 2, 2006, is earlier than the filing date for KJRY's feeder line application. Consequently, unless the procedural schedule is modified, SAW would be precluded from replying to KJRY's application. As the respondent of such application, SAW is clearly entitled to reply to that application.

Very truly yours,

Tom McFarland
