Re: STB Doc. # AB-490 (Sub-No. 1X)
Greenville County, South Carolina

Dear Mr. Williams:

The Surface Transportation Board on October 12, 2005, served a notice of interim trail use or abandonment to implement railbanking and interim trail use of the 11.8 mile rail line owned by Greenville County Economic Development Corporation ("GCEDC") and more specifically described in the above docket item. GCEDC thereafter was given a 180 day period, commencing April 5, 2006, to obtain an agreement with an appropriate party for such party's management and operation of a trail on the subject line as provided.

GCEDC is pleased to inform the Board that it and Greenville County Recreation District ("GCRD") now have signed a trail operating agreement under which GCRD has assumed full responsibility for the management of a trail along the above 11.8 rail line.

GCRD is a special purpose governmental district established under the laws of the State of South Carolina for the purpose of building, maintaining and managing parks in designated areas of Greenville County, South Carolina. We are informed that GCRD has given the Board notice of its desire to operate and manage a trail on the subject rail line and has paid its fee of \$200 to the Board.

Yours truly,

By: Herman "Butch" Kirven, Jr.
