Dear Mr. Williams:

This letter supplements our letter of September 26, 2006, in which Greenville County Recreation District ("GCRD") submitted its request to be the trail operator for the railroad line described in the above referenced docket and as provided under 15 C.F.R. Sections 1152.28 and 1152.29. The subject property, generally known as the Greenville & Northern Railroad, is owned by Greenville County Economic Development Corporation and extends from railroad milepost 0.0 in Greenville, South Carolina to railroad milepost 11.8 near Travelers Rest, South Carolina.

In addition to making the affirmations stated in our above letter, GCRD also assumes full responsibility for the management of, or for any legal liability arising out of the transfer or use of (to the extent permitted by law and its statutory immunity), and for the payment of any and all taxes that may be levied or assessed against, the right of way owned by Greenville County Economic Development Corporation and described above.

GCRD acknowledges that use of the right-of-way is subject to its continuing to meet its responsibilities described above and subject to possible future reconstruction and reactivation of the right-of-way for rail service.

A copy of this statement is being served on Greenville County Economic Development Corporation on the same date it is being served on the Surface Transportation Board. We also confirm that a copy of our September 26, 2006, letter was served on Greenville County Economic Development Corporation the same date said letter was served on the Board.

Yours truly,

Gene Smith
Executive Director
