Re: STB Docket No. AB-55 (Sub-No. 614X) *CSX Transportation, Inc. --
Abandonment Exemption in Richmond County, GA*

Dear Secretary Williams:

Reference is made to the letter, dated October 16, 2006 (the "Consummation Notice"), from CSX Transportation, Inc. ("CSXT") to the Board, notifying it that CSXT has consummated the abandonment of the line (the "Line") referenced in the above-captioned proceeding.

By decision served on July 3, 2002 (the "July 2002 Decision"), the Board, upon reconsideration of the notice of exemption served and published in the Federal Register on June 6, 2002, decided, among other things, that abandonment of the Line shall be subject to the condition that CSXT consult with the Georgia Department of Natural Resources, Historic Preservation Division to resolve outstanding historic resource concerns and retain its interest in and take no steps to alter the historic integrity of the line until completion of the section 106 process of the National Historic Preservation Act, 16 U.S.C. 470f.

Upon further review, CSXT has determined that it has not satisfied fully the conditions set forth in the July 2002 Decision for abandonment of the Line and hereby respectfully requests that the Board (i) allow it to retract the Consummation Notice so that it properly can comply with the July 2002 Decision, and (ii) indicate that the abandonment has not been consummated and confirm it retains its jurisdiction over the Line.

CSXT is efileing this letter. Thank you for your assistance. If you have any questions please call or email me.

Sincerely,
