FOR PROTECTIVE ORDER**

The Utah Transit Authority (“UTA”), Union Pacific Railroad Company (“UPRR”) and Savage, Bingham and Garfield Railroad Company (“SBG”), by undersigned counsel, hereby submit this Motion for a Protective Order. In these proceedings¹, the Utah Shipper Coalition has sought the opportunity to engage in discovery and submit testimony based on that discovery. The information and documents sought in discovery may well include highly confidential and commercially sensitive, proprietary information. Public disclosure of this information could be competitively damaging.

Accordingly, UTA, UPRR and SBG hereby ask this Board to issue the attached Protective Order in accordance with 49 CFR §1104.14(b) and consistent with orders that have been entered in prior proceedings. *See, e.g., Nittany And Bald Eagle Railroad Company—*

¹ The Utah Shipper Coalition has asked this Board to consolidate its handling of the two above-referenced proceedings. This request for a protective order is being filed in both proceedings pending Board action on that request.

Temporary Trackage Rights Exemption—Norfolk Southern Railway Company, STB Finance Docket No. 34956 (Service Date February 20, 2007); Waterloo Railway Company - Adverse Abandonment - Lines of Bangor and Aroostook Railroad Company and Van Buren Bridge Company in Aroostook County, ME, STB Docket No. AB-124 (Sub-No. 2) (served May 21, 2003). Issuance of the protective order will ensure that the Board will receive full disclosure of all relevant facts while ensuring that confidential information will be used only in connection with this proceeding and not for any other business or commercial use. A suggested form of protective order is attached as an Appendix to this Motion.

APPENDIX

PROTECTIVE ORDER

1. For purposes of this Protective Order:

(a) "Confidential Documents" means documents and other tangible materials containing or reflecting Confidential Information.

(b) "Confidential Information" means traffic data (including but not limited to waybills, abstracts, study movement sheets, and any documents or computer tapes containing data derived from waybills, abstracts, study movement sheets, or other data bases, and cost work papers); the identification of shippers and receivers in conjunction with shipper-specific or other traffic data; the confidential terms of contracts with shippers or carriers; confidential financial and cost data; and other confidential or proprietary business or personal information.

(c) "Designated Material" means any documents designated or stamped as "CONFIDENTIAL" or "HIGHLY CONFIDENTIAL" in accordance with paragraph 2 or 3 of this Protective Order and any Confidential Information contained in such materials.

(d) "Proceedings" means those before the Surface Transportation Board (Board) concerning the Notices of Exemption filed in STB Finance Docket No. 35002 and Finance Docket No. 35008 and any related proceedings before the Board, and any judicial review proceedings arising from STB Finance Docket No. 35002 and/or STB Finance Docket No. 35008 or from any related proceedings before the Board.

2. If any party to these Proceedings determines that any part of a document it submits, discovery request it propounds, discovery response it produces, transcript of a deposition or hearing in which it participates, or of a pleading or other paper to be submitted, filed, or served in these Proceedings contains Confidential Information or consists of Confidential Documents, then that party may designate and stamp such Confidential Information and Confidential Documents as "CONFIDENTIAL." Any information or documents designated or stamped as "CONFIDENTIAL" shall be handled as provided hereinafter.

3. If any party to these Proceedings determines that any part of a document it submits, discovery request it propounds, discovery response it produces, transcript of a deposition or hearing in which it participates, or pleading or other paper to be submitted, filed, or served in these Proceedings contains shipper-specific rate or cost data; trackage rights compensation levels; or other competitively sensitive or proprietary information, then that party may designate and stamp such Confidential Information as "HIGHLY CONFIDENTIAL." Any information or documents so designated or stamped shall be handled as provided hereinafter.

4. Information and documents designated or stamped as "CONFIDENTIAL" may not be disclosed in any way, directly or indirectly, or to any person or entity except to an employee,

counsel, consultant, or agent of a party to these Proceedings, or an employee of such counsel, consultant, or agent, who, before receiving access to such information or documents, has been given and has read a copy of this Protective Order and has agreed to be bound by its terms by signing a confidentiality undertaking substantially in the form set forth at Exhibit A to this Order.

5. Information and documents designated or stamped as "HIGHLY CONFIDENTIAL" may not be disclosed in any way, directly or indirectly, to any employee of a party to these Proceedings, or to any other person or entity except to an outside counsel or outside consultant to a party to these Proceedings, or to an employee of such outside counsel or outside consultant, who, before receiving access to such information or documents, has been given and has read a copy of this Protective Order and has agreed to be bound by its terms by signing a confidentiality undertaking substantially in the form set forth at Exhibit B to this Order.

6. Any party to these Proceedings may challenge the designation by any other party of information or documents as "CONFIDENTIAL" or as "HIGHLY CONFIDENTIAL" by filing a motion with the Board or with an administrative law judge or other officer to whom authority has been lawfully delegated by the Board to adjudicate such challenge(s).

7. Designated Material may not be used for any purposes, including without limitation any business, commercial or competitive purposes, other than the preparation and presentation of evidence and argument in STB Finance Docket No. 35002 and/or STB Finance Docket No. 35008, any related proceedings before the Board, and/or any judicial review proceedings in connection with STB Finance Docket No. 35002 and/or STB Finance Docket No. 35008 and/or with any related proceedings.

8. Any party who receives Designated Material in discovery shall destroy such materials and any notes or documents reflecting such materials (other than file copies of pleadings or other documents filed with the Board and retained by outside counsel for a party to these Proceedings) at the earlier of: (1) such time as the party receiving the materials withdraws from these Proceedings, or (2) the completion of these Proceedings, including any petitions for reconsideration, appeals or remands.

9. No party may include Designated Material in any pleading, brief, discovery request or response, or other document submitted to the Board, unless the pleading or other document is submitted under seal, in a package clearly marked on the outside as "Confidential Materials Subject to Protective Order." See 49 CFR 1104.14. All pleadings and other documents so submitted shall be kept confidential by the Board and shall not be placed in the public docket in these Proceedings except by order of the Board or of an administrative law judge or other officer in the exercise of authority lawfully delegated by the Board.

10. No party may include Designated Material in any pleading, brief, discovery request or response, or other document submitted to any forum other than this Board in these Proceedings unless: (1) the pleading or other document is submitted under seal in accordance with a protective order that requires the pleading or other document to be kept confidential by that tribunal and not be placed in the public docket in the proceeding, or (2) the pleading or other

document is submitted in a sealed package clearly marked, "Confidential Materials Subject to Request for Protective Order," and is accompanied by a motion to that tribunal requesting issuance of a protective order that would require the pleading or other document be kept confidential and not be placed in the public docket in the proceeding, and requesting that, if the motion for protective order is not issued by that tribunal, the pleading or other document be returned to the filing party.

11. No party may present or otherwise use any Designated Material at a Board hearing in these Proceedings, unless that party has previously submitted, under seal, all proposed exhibits and other documents containing or reflecting such Designated Material to the Board, to an administrative law judge or to another officer to whom relevant authority has been lawfully delegated by the Board, and has accompanied such submission with a written request that the Board, administrative law judge or other officer: (a) restrict attendance at the hearing during any discussion of such Designated Material, and (b) restrict access to any portion of the record or briefs reflecting discussion of such Designated Material in accordance with this Protective Order.

12. If any party intends to use any Designated Material in the course of any deposition in these Proceedings, that party shall so advise counsel for the party producing the Designated Material, counsel for the deponent, and all other counsel attending the deposition. Attendance at any portion of the deposition at which any Designated Material is used or discussed shall be restricted to persons who may review that material under the terms of this Protective Order. All portions of deposition transcripts or exhibits that consist of, refer to, or otherwise disclose Designated Material shall be filed under seal and be otherwise handled as provided in paragraph 9 of this Protective Order.

13. To the extent that materials reflecting Confidential Information are produced by a party in these Proceedings, and are held and/or used by the receiving person in compliance with paragraphs 1, 2, or 3 above, such production, disclosure, holding, and use of the materials and of the data that the materials contain are deemed essential for the disposition of this and any related proceedings and will not be deemed a violation of 49 U.S.C. 11904 or of any other relevant provision of the ICC Termination Act of 1995.

14. All parties must file simultaneously a public version of any Highly Confidential or Confidential submission filed with the Board whether the submission is designated a Highly Confidential Version or Confidential Version. When filing a Highly Confidential Version, the filing party does not need to file a Confidential Version with the Board, but must make available (simultaneously with the party's submission to the Board of its Highly Confidential Version) a Confidential Version reviewable by any other party's in-house counsel. The Confidential Version may be served on other parties in electronic format only. In lieu of preparing a Confidential Version, the filing party may (simultaneously with the party's submission to the Board of its Highly Confidential Version) make available to outside counsel for any other party a list of all "highly confidential" information that must be redacted from its Highly Confidential Version prior to review by in-house personnel, and outside counsel for any other party must then redact that material from the Highly Confidential Version before permitting any clients to review submission.

15. All parties must comply with all of the provisions of this Protective Order unless the Board or an administrative law judge or other officer exercising authority lawfully delegated by the Board determines that good cause has been shown warranting suspension of any of the provisions herein.

16. Nothing in this Protective Order restricts the right of any party to disclose voluntarily any Confidential Information originated by that party, or to disclose voluntarily any Confidential Documents originated by that party, if such Confidential Information or Confidential Documents do not contain or reflect any Confidential Information originated by any other party.
