SHEET METAL WORKERS INTERNATIONAL ASSOCIATION

and

CSX TRANSPORTATION, INC.

**Dispute Arbitrated Pursuant to Article 1, Section 11 of the *New York Dock* Protective
Conditions**

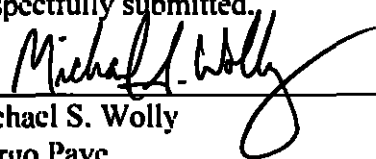

**MOTION OF
SHEET METAL WORKERS INTERNATIONAL ASSOCIATION
FOR LEAVE TO EXCEED PAGE LIMIT TO FILE ATTACHMENTS TO
PETITION TO REVIEW DECISION OF AN ARBITRATION COMMITTEE
ACTING PURSUANT TO THE *NEW YORK DOCK* CONDITIONS**

Pursuant to 49 C.F.R. § 1115.8, the Sheet Metal Workers International Association ("SMWIA") has filed a Petition to Review the Award of an Arbitration Committee created pursuant to Article I, Section 11 of the *New York Dock* Conditions. So that the Board can fully understand the important issues raised in its Petition, SMWIA would file with the Board the arbitration award which is the object of SMWIA's petition for review and related documents that were filed with the Section 11 Arbitration Committee and are part of the record of proceedings before the Committee. Inclusion of these materials would cause the Petition to exceed the 30 page limit set forth in 49 CFR 1115.2(d) and 1115.8. These additional materials are essential for a full understanding of the issues raised by SMWIA's petition. Therefore, SMWIA moves for

leave to exceed the 30 page limit in order to file these materials as Attachments to the Petition to Review so that they are included in the record before the agency.

No party will be prejudiced by the granting of this motion. For these reasons, we respectfully request that SMWIA be granted permission to exceed the 30 page limit so that these relevant materials can be filed

Respectfully submitted,

/s/
