**BEFORE THE

BEAUFORT RAILROAD COMPANY,)	FINANCE DOCKET
INC. - MODIFIED RAIL CERTIFICATE)	NO. 34943

NOTICE TO ALL PARTIES

On March 22, 2007, a group of parties that own property adjoining the erstwhile railroad line under consideration in this docket ("the Landowners") filed a petition requesting that the Board reconsider the notice it issued on December 28, 2006 and, upon reconsideration, withdraw it and institute an investigation to determine whether the Beaufort parties, which filed the notice that began this proceeding, were acting in good faith and truly intended to reinstitute rail service over the line as they had represented to the Board. The Landowners expressed many doubts and concerns similar to those advanced by other parties to this proceeding and associated themselves broadly with some of the legal positions asserted by those other parties. But the Landowners distinguished themselves through their request for an investigation into the bona fides of the Beaufort parties' filings so that the Board could satisfy its obligation to assure the integrity of its processes

The purpose of this Notice is to inform the Board and all parties that the Landowners have been joined by others who are similarly situated with the Landowners and who agree with the positions previously advanced by the Landowners. The names of the new members of the Landowners are Mr. and Mrs. William M. Mixon; Dekock SA, Trustee of the JC and AJ Harden Irrevocable Trust; and Ray Basso.

These new members adopt the evidence and arguments previously advanced by the original group of Landowners as their own and respectfully urge the Board to reconsider its December 28, 2006 notice, withdraw that notice, and institute the investigation requested by the initial group of Landowners on March 22, 2007

Respectfully submitted,

A handwritten signature in black ink, appearing to read "John L. Richardson". The signature is stylized with a large, looping initial "J" and a cursive "Richardson".
