RE: Finance Docket No. 34527, *Petition of Maumee & Western Railroad Corporation and RMW Ventures, LLC for Declaration or Revocation of CSX Transportation, Inc. Crossing Rights at Defiance, OH.*

Dear Secretary Williams:

CSX Transportation, Inc. ("CSXT") and the Maumee & Western Railroad Corporation and RMW Ventures, LLC (collectively "M&W") jointly request a 30-day extension of the period for compliance with the decision served in the above-entitled proceeding by the Surface Transportation Board (the "Board") on May 9, 2007 (the "*Decision*").

CSXT and M&W have engaged in positive negotiations. The parties are reviewing draft agreements and technical specifications that may enhance the efficiency of the operation. The parties will require at least an additional 30 days beyond the July 8 deadline ordered in the *Decision* in order to complete that review, consider the technical specifications for the diamonds, conduct further negotiations, and take any other steps that may be necessary.

The parties appreciate the Board's offer of mediation and the benefit of a member of the Board's staff being present during the negotiations. At this time, the parties believe that the current negotiations will result in an agreement. CSXT and M&W respectfully request the Board to grant a 30-day extension to August 7, 2007 of the 60-day deadline established in the *Decision*. CSXT and M&W will continue to advise the Board of the progress and status of the negotiations.

Honorable Vernon A. Williams
