Re: STB Ex Parte No. 672 - Notice of Intent to Participate
Rail Transportation of Resources Critical to the Nation's
Energy Supply

Dear Secretary Williams

CSX Transportation, Inc welcomes the opportunity to provide testimony at the Board's hearing on July 18 in Kansas City, and this letter will serve as CSXT's notice of intent to participate

CSXT requests a total of fifteen (15) minutes to make a brief presentation on coal and ethanol transportation for the rail customers that CSXT serves across its service network. Because responsibility for the marketing of coal and ethanol transportation is in two different groups at CSXT, CSXT will be represented by Christopher P Jenkins, Vice President Coal & Automotive Service Groups, and Timothy J McNulty, Director Marketing - Agriculture

Respectfully submitted,

Paul R Hitchcock
