Re: *Rail Transportation Of Resources Critical To The Nation's Energy Supply*
STB Ex Parte No. 672

Dear Secretary Williams:

On June 26, 2007, The Kansas City Southern Railway Company ("KCSR") gave notice of its intent to participate in the July 18, 2007 public hearing to be held in Kansas City, MO in the above captioned proceeding. KCSR also requested ten minutes of speaking time and informed the Board that Mr. Daniel Avramovich, Executive Vice President Sales and Marketing, would give KCSR's presentation. By decision served June 27, 2007, the Board granted KCSR's request for ten minutes and noted that Mr. Avramovich would be the speaker.

Unfortunately, Mr. Avramovich can no longer attend the hearing. Instead of Mr. Avramovich, KCSR hereby notifies the Board that KCSR's presentation will be given by Mr. Darin Selby, Assistant Vice President, Sales and Marketing, Coal Business Unit. If there are any questions concerning this substitution, please contact me at the address and phone listed above or at wmullins@bakerandmiller.com.

Respectfully submitted,

William A. Mullins
