MOTION FOR PROTECTIVE ORDER

Pursuant to 49 C.F.R. § 1104.14(b), Michigan Central Railway, LLC (“Michigan Central”), a noncarrier, Watco Companies, Inc. (“Watco Companies”) and Watco Transportation Services, Inc. (“Watco Transportation”) (collectively, “the Parties”), respectfully move for the entry of a Protective Order (in the form set forth in Appendix A hereto) in each of the above-captioned proceedings. The order is required to permit the Parties to submit to the Board certain documents that contain highly sensitive commercial terms, and to make such documents available to outside counsel for interested parties, solely for use in this proceeding.

The requested Protective Order would apply in both of the above-captioned proceedings. In Finance Docket No. 35063, Michigan Central is filing today a Petition for Exemption (and a related Petition to Revoke Class Exemption) with respect to Michigan

Central's proposed acquisition and operation of certain rail lines currently owned and operated by Norfolk Southern Railway Company ("NSR") in Michigan and Indiana. In Finance Docket No. 35064, Watco Companies and Watco Transportation are filing a notice of exemption, pursuant to 49 C.F.R. §1180.2(d)(2), in connection with their continuance in control of Michigan Central after it becomes a rail carrier.

In Finance Docket No. 35063, Michigan Central is submitting (under seal) a complete, unredacted copy of the executed Transaction Agreement, which includes, as exhibits, copies of all of the agreements to be entered into in connection with the proposed transactions.¹ The Transaction Agreement and related agreements are designated "Highly Confidential." Public, redacted versions of these documents also are being filed.

The information redacted from the public versions of these documents is highly confidential, commercially sensitive information. The proposed Protective Order is necessary to protect this highly confidential information from public disclosure. The requested Protective Order will enable the Parties to present these documents to the Board (and, upon request accompanied by a signed copy of the protective order, to outside counsel for interested parties for whom the information may be relevant), while at the same time preserving the confidentiality of that sensitive information, and any other sensitive information that might be produced in connection with this proceeding.

The proposed Protective Order is modeled substantially on similar orders that the Board has entered in other recent proceedings. For the foregoing reasons, the Parties respectfully request that a Protective Order be entered in each of the above-captioned proceedings, in the

form set forth in Appendix A to this Motion, including the forms of confidentiality undertakings that accompany it.

APPENDIX A
PROTECTIVE ORDER

1. For purposes of this Protective Order:

(a) "Confidential Documents" means documents and other tangible materials containing or reflecting Confidential Information.

(b) "Confidential Information" means traffic data (including but not limited to waybills, abstracts, study movement sheets, and any documents or computer tapes containing data derived from waybills, abstracts, study movement sheets, or other data bases, and cost work papers); the identification of shippers and receivers in conjunction with shipper-specific or other traffic data; the confidential terms of contracts with shippers or carriers; confidential financial and cost data; divisions of rates, trackage rights compensation levels and other compensation between carriers; and other confidential or proprietary business or personal information.

(c) "Designated Material" means any documents designated or stamped as "CONFIDENTIAL" or "HIGHLY CONFIDENTIAL" in accordance with paragraph 2 or 3 of this Protective Order and any Confidential Information contained in such materials.

(d) "Proceedings" means those before the Surface Transportation Board (Board) concerning the transactions in STB Finance Docket Nos. 35063 and 35064, and any related proceedings before the Board, and any judicial review proceedings arising from STB Finance Docket Nos. 35063 or 35064 or from any related proceedings before the Board.

2. If any party to these Proceedings determines that any part of a document it submits, discovery request it propounds, discovery response it produces, transcript of a deposition or hearing in which it participates, or pleading or other paper to be submitted, filed, or served in these Proceedings contains Confidential Information or consists of Confidential Documents, then that party may designate and stamp such Confidential Information and Confidential Documents as "CONFIDENTIAL." Any information or documents designated or stamped as "CONFIDENTIAL" shall be handled as provided for hereinafter, except that no prohibition in any subsequent paragraph is applicable to an exchange of information pursuant to paragraphs 2 and 3 of this Protective Order.

3. If any party to these Proceedings determines that any part of a document it submits, discovery request it propounds, or a discovery response it produces, or a transcript of a deposition or hearing in which it participates, or pleading or other paper to be submitted, filed, or served in these Proceedings contains shipper-specific rate or cost data; division of rates, trackage rights compensation levels, other compensation between carriers; or other competitively sensitive or proprietary information, then that party may designate and stamp such Confidential Information as "HIGHLY CONFIDENTIAL." Any information or documents so designated or stamped shall be handled as provided hereinafter, except that no prohibition in any subsequent paragraph is applicable to an exchange of information pursuant to paragraphs 2 and 3 of this Protective Order.

4. Information and documents designated or stamped as "CONFIDENTIAL" may not be disclosed in any way, directly or indirectly, or to any person or entity except to an employee,

counsel, consultant, or agent of a party to these Proceedings, or an employee of such counsel, consultant, or agent, who, before receiving access to such information or documents, has been given and has read a copy of this Protective Order and has agreed to be bound by its terms by signing a confidentiality undertaking substantially in the form set forth at Exhibit A to this Protective Order.

5. Information and documents designated or stamped as "HIGHLY CONFIDENTIAL" may not be disclosed in any way, directly or indirectly, to any employee of a party to these Proceedings, or to any other person or entity except to an outside counsel or outside consultant to a party to these Proceedings, or to an employee of such outside counsel or outside consultant, who, before receiving access to such information or documents, has been given and has read a copy of this Protective Order and has agreed to be bound by its terms by signing a confidentiality undertaking substantially in the form set forth at Exhibit B to this Protective Order.

6. Any party to these Proceedings may challenge the designation by any other party of information or documents as "CONFIDENTIAL" or as "HIGHLY CONFIDENTIAL" by filing a motion with the Board or with an administrative law judge or other officer to whom authority has been lawfully delegated by the Board to adjudicate such challenges.

7. Designated Material may not be used for any purposes, including without limitation any business, commercial or competitive purposes, other than the preparation and presentation of evidence and argument in STB Finance Docket Nos. 35063 and 35064, any related proceedings before the Board, and/or any judicial review proceedings in connection with STB Finance Docket Nos. 35063 or 35064 and/or with any related proceedings.

8. Any party who receives Designated Material in discovery shall destroy such materials and any notes or documents reflecting such materials (other than file copies of pleadings or other documents filed with the Board and retained by outside counsel for a party to these Proceedings) at the earlier of: (1) such time as the party receiving the materials withdraws from these Proceedings; or (2) the completion of these Proceedings, including any petitions for reconsideration, appeals or remands.

9. No party may include Designated Material in any pleading, brief, discovery request or response, or other document submitted to the Board, unless the pleading or other document is submitted under seal, in a package clearly marked on the outside as "Confidential Materials Subject to Protective Order." See 49 C.F.R. § 1104.14. All pleadings and other documents so submitted shall be kept confidential by the Board and shall not be placed in the public docket in these Proceedings except by order of the Board or of an administrative law judge or other officer in the exercise of authority lawfully delegated by the Board.

10. No party may include Designated Material in any pleading, brief, discovery request or response, or other document submitted to any forum other than this Board in these Proceedings unless: (1) the pleading or other document is submitted under seal in accordance with a protective order that requires the pleading or other document to be kept confidential by that tribunal and not be placed in the public docket in the proceeding; or (2) the pleading or other document is submitted in a sealed package clearly marked, "Confidential Materials Subject to Request for Protective Order," and is accompanied by a motion to that tribunal requesting issuance of a protective order that would require the pleading or other document be kept confidential and not be placed in the public docket in the proceeding, and requesting

that, if the motion for protective order is not issued by that tribunal, the pleading or other document be returned to the filing party.

11. No party may present or otherwise use any Designated Material at a Board hearing in these Proceedings, unless that party has previously submitted, under seal, all proposed exhibits and other documents containing or reflecting such Designated Material to the Board, to an administrative law judge or to another officer to whom relevant authority has been lawfully delegated by the Board, and has accompanied such submission with a written request that the Board, administrative law judge or other officer: (a) restrict attendance at the hearing during any discussion of such Designated Material; and (b) restrict access to any portion of the record or briefs reflecting discussion of such Designated Material in accordance with this Protective Order.

12. If any party intends to use any Designated Material in the course of any deposition in these Proceedings, that party shall so advise counsel for the party producing the Designated Material, counsel for the deponent, and all other counsel attending the deposition. Attendance at any portion of the deposition at which any Designated Material is used or discussed shall be restricted to persons who may review that material under the terms of this Protective Order. All portions of deposition transcripts or exhibits that consist of, refer to, or otherwise disclose Designated Material shall be filed under seal and be otherwise handled as provided in paragraph 13 of this Protective Order.

13. To the extent that materials reflecting Confidential Information are produced by a party in these Proceedings, and are held and/or used by the receiving person in compliance with paragraphs 1, 2, or 3 above, such production, disclosure, holding, and use of the materials and of the data that the materials contain are deemed essential for the disposition of this and any related proceedings and will not be deemed a violation of 49 U.S.C. §§ 11323 or 11904, or of any other relevant provision of the ICC Termination Act of 1995.

14. All parties must comply with all of the provisions of this Protective Order unless the Board or an administrative law judge or other officer exercising authority lawfully delegated by the Board determines that good cause has been shown warranting suspension of any of the provisions herein.

15. Nothing in this Protective Order restricts the right of any party to disclose voluntarily any Confidential Information originated by that party, or to disclose voluntarily any Confidential Documents originated by that party, if such Confidential Information or Confidential Documents do not contain or reflect any Confidential Information originated by any other party.
