Re: Abandonment of Trackage Located in Green Island, New York
STB Docket No. AB-156 (Sub-No 26X)

Dear Secretary Williams:

By letter dated June 7, 2007, Delaware and Hudson Railway d/b/a Canadian Pacific Railway ("D&H") informed the Board that it would require additional time to comply with the request for information pursuant to 49 C.F.R. § 1127.27(a) made by R. Freedman & Son ("Freedman") in its formal expression of intent to file an offer of financial assistance ("OFA"). Also on June 7, 2007, Freedman requested that the time to submit an OFA be tolled until August 20, 2007. By decision served June 15, 2007, the Board granted Freedman's request.

Due to difficulties in obtaining the requested information, D&H will require additional time to comply with Freedman's request. D&H expects to provide the information requested on or before August 31, 2007. Accordingly, D&H does not oppose a request by Freedman to toll the time to submit an OFA until thirty (30) days after D&H has provided the requested information.

Very truly yours,

LEONARD, STREET AND DEINARD

W. Karl Hansen
