Part of
Public Record

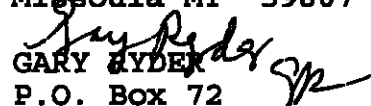

Petitioners, Northern Plains Resource Council, Inc., Native Action, Inc., Northern Cheyenne Tribe, City of Forsyth, and United Transportation Union-General Committee of Adjustment (GO-386), and United Transportation Union-Montana State Legislative Board, petition the Board for waiver of the 10-page limitation for their petition for stay pending judicial review, filed today.

The basis for waiver is that two petitions for review, involving two STB decisions, are involved, together with the complexity of the issues and number of parties. The number of pages of their stay petition is only 15 pages, excluding cover and service pages.

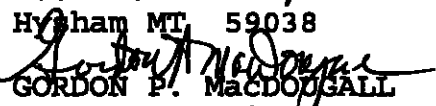

Respectfully submitted,
