F.D. No. 30186 (Sub-No. 3), Tongue River Railroad Company,
Inc.-Construction and Operation-Western Alignment

Dear Mr. Williams:

220632

The Petition for Waiver, Etc., and Petition for Stay Pending
Judicial Review, both filed October 29, 2007, mistakenly included
Native Action, Inc., and Northern Cheyenne Tribe, in the preamble
as among the petitioners to each petition.

Please withdraw these parties from participation in the peti-
tions, as they were included in error.

I regret this inconvenience.

Very truly yours,

Gordon P. MacDougal
