Re. Reading Blue Mountain and Northern Railroad Company
Abandonment Exemption, Docket No. AB-996X

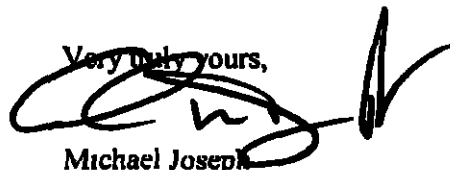

Dear Mr. Williams

By order dated August 24, 2007, the Board tolled the time period for Reading Anthracite Company ("RAC") to file an offer of financial assistance in the above-captioned matter until November 26, 2007. RAC and Reading Blue Mountain and Northern Railroad Company ("RBMN") have continued to confer and have agreed to a further tolling of such time period until January 25, 2008, in order to conclude negotiations that would permit the line to remain open. We respectfully request the Board to issue an Order effecting this agreement.

Since our last request, RAC has nearly finalized contractual arrangements that would permit the commercial use of the Minersville Branch, and the parties have continued to communicate in an effort to keep the line open. We believe that the parties will be able to resolve this issue within 60 days.

Please do not hesitate to contact us should you have any questions. The undersigned is authorized to state that RBMN joins in this request.

Very truly yours,

Michael Joseph
