RE: Docket No. 39051, Pacific Unified Railroad Corporation
- Exemption Withdrawal -

Dear Secretary Williams,

Pacific Unified Railroad hereby request to withdraw an earlier exemption filed on November 16, 2007 entitled Trackage Rights Exemption Docket # 39051. Noticing an error on our behalf, we incorrectly filed the wrong type of exemption being a non-carrier.

Enclosed with this withdrawal letter, please find the correct exemption filing.

We respectfully request that the Board would apply the fees from the previous filing to the correct filing for operation authority. Please find an enclosed check for \$600 to be applied with the other fees for the appropriate amount of \$1,600.

Please acknowledge receipt of this letter by date-stamping the enclosed acknowledgment copy and returning it in the enclosed express mail envelope.

Very truly yours,

A handwritten signature in dark ink, appearing to read 'Gerald Lee'.
