Re: NITL letter regarding Ex Parte 385 (Sub-No. 6), Waybill Sample, and decision served December 17, 2007

Dear Secretary Williams,

I am writing to voice my support for the NITL position regarding the reporting of fuel surcharge revenue, as outlined in Mr. Nicholas J. DiMichael's letter to you, dated December 31, 2007. As a shipper in the rail industry, it is increasingly important for us to understand the rate and charges that we incur, and to be able to view that information consistently across the various railroads.

Thank you for your support.

Sincerely,

Boyd Manning
