Re: **Docket No. AB-1003x, Mohall Central Railroad, Inc.—Abandonment
Exemption—in Nelson, Ramsey and Cavalier Counties, North Dakota**

Dear Secretary Quinlan,

By notice of exemption served in the above-captioned proceedings on October 29, 2007 Mohall Central Railroad, Inc. ("MCR") was authorized to abandon its line of railroad known as the Sarles Line, extending from milepost 3.75, approximately 3.75 miles north of Lakota, to milepost 48.19, approximately 4 miles south of Munich, in Nelson, Ramsey and Cavalier Counties, North Dakota. MCR's abandonment exemption became effective on November 28, 2007.

Pursuant to 49 C.F.R. 1152.29(c)(2) and 1152.50(e), MCR hereby provides notice that it exercised the authority granted herein and consummated abandonment of the subject line of railroad on January 4, 2008.

Thank you for your assistance on this matter.

Very truly yours,

Michael J. Barron, Jr.
Attorney for Mohall Central Railroad, Inc
