Attorneys for Respondent BLET

Motion to Exceed Page Limit

Union Pacific has filed an appeal asking this Board to set aside an arbitration award issued by Arbitrator Robert Perkovich. In support thereof, UP filed a lengthy brief after obtaining permission to exceed the thirty page limitation set forth in 49 C.F.R. § 1115.2(d). BLET likewise moves this Board to enter an Order allowing BLET to exceed that page limitation in order to adequately respond to UP's arguments. No party will be prejudiced by the granting of this motion.

Wherefore, BLET respectfully requests that the Board grant this motion to allow BLET to exceed the 30-page limitation in its opposition to UP's appeal.

Respectfully submitted,

Michael S. Wolly
