Re: Correction to Decision in STB Docket No. 42100,
E.I. DuPont De Nemours and Company v. CSX Transportation, Inc.

Dear Secretary Quinlan:

On behalf of our client, CSX Transportation, Inc. ("CSXT"), Defendant in the above-captioned case, we request that the Board make a correction to its June 30, 2008 Decision. Specifically, in line 9 of the second full paragraph on page 8 of the Decision, the sentence reads "The railroad represents that, since 1994, it has raised rates for chlorine movements by over 116% percent" [sic, emphasis added]. Footnote 28 at the end of that sentence indicates the source of the statement to be the Reply Verified Statement ("RVS") of CSXT witness Piacente at 4. However, as Mr. Piacente's RVS at the cited page clearly indicates, the correct year to which his statement applies was 2004, not 1994. In other words, the evidence showed that CSXT had raised its chlorine rates by 116% over a 3-year period, not a 13-year period.

Kindly correct the year cited at page 8 of the Board's decision, and let me know if you have any questions about this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul Moates".

G. Paul Moates
