Re: STB Ex Parte No. 677 (Sub-No.1) Common Carrier Obligation of
Railroads—Transportation of Hazardous Materials-Correction

Dear Acting Secretary Quinlan:

Pursuant to the Decisions served by the Board on June 4, June 19 and June 23, 2008, the Chlorine Institute Inc. (the Institute) filed written testimony in this proceeding on July 10, 2008. That testimony included as Exhibit 1, the testimony of Tom O'Connor of Snavelly, King, Majoros, O'Connor & Lee. That testimony contained as page 7 a chart showing various information regarding the BNSF for the years 2003 through and including 2007, including the total operating expenses of the BNSF. Through a clerical error, the operating expenses shown were actually those of the NS.

To correct this error, I am attaching an original and ten copies of a revised page 7 to be included in the testimony of Mr. O'Connor. We regret the error.

Respectfully submitted,

Paul M. Donovan
Counsel for the Chlorine Institute, Inc.
