Re: STB Docket No. AB-290 (Sub. No. 289X), Norfolk Southern Railway
Company – Abandonment - In Hamilton County, Ohio –
Notice of Exemption

Dear Ms Quinlan:

Norfolk Southern Railway Company filed a Notice of Exemption with regard to the
above-captioned matter on July 16, 2008.

It has since come to our attention that the site map on page 54 of the filing was a
map that was used in a previous draft of the Historic Report and should have been
replaced with the site map enclosed, which is the same map as pages 10 and 23.

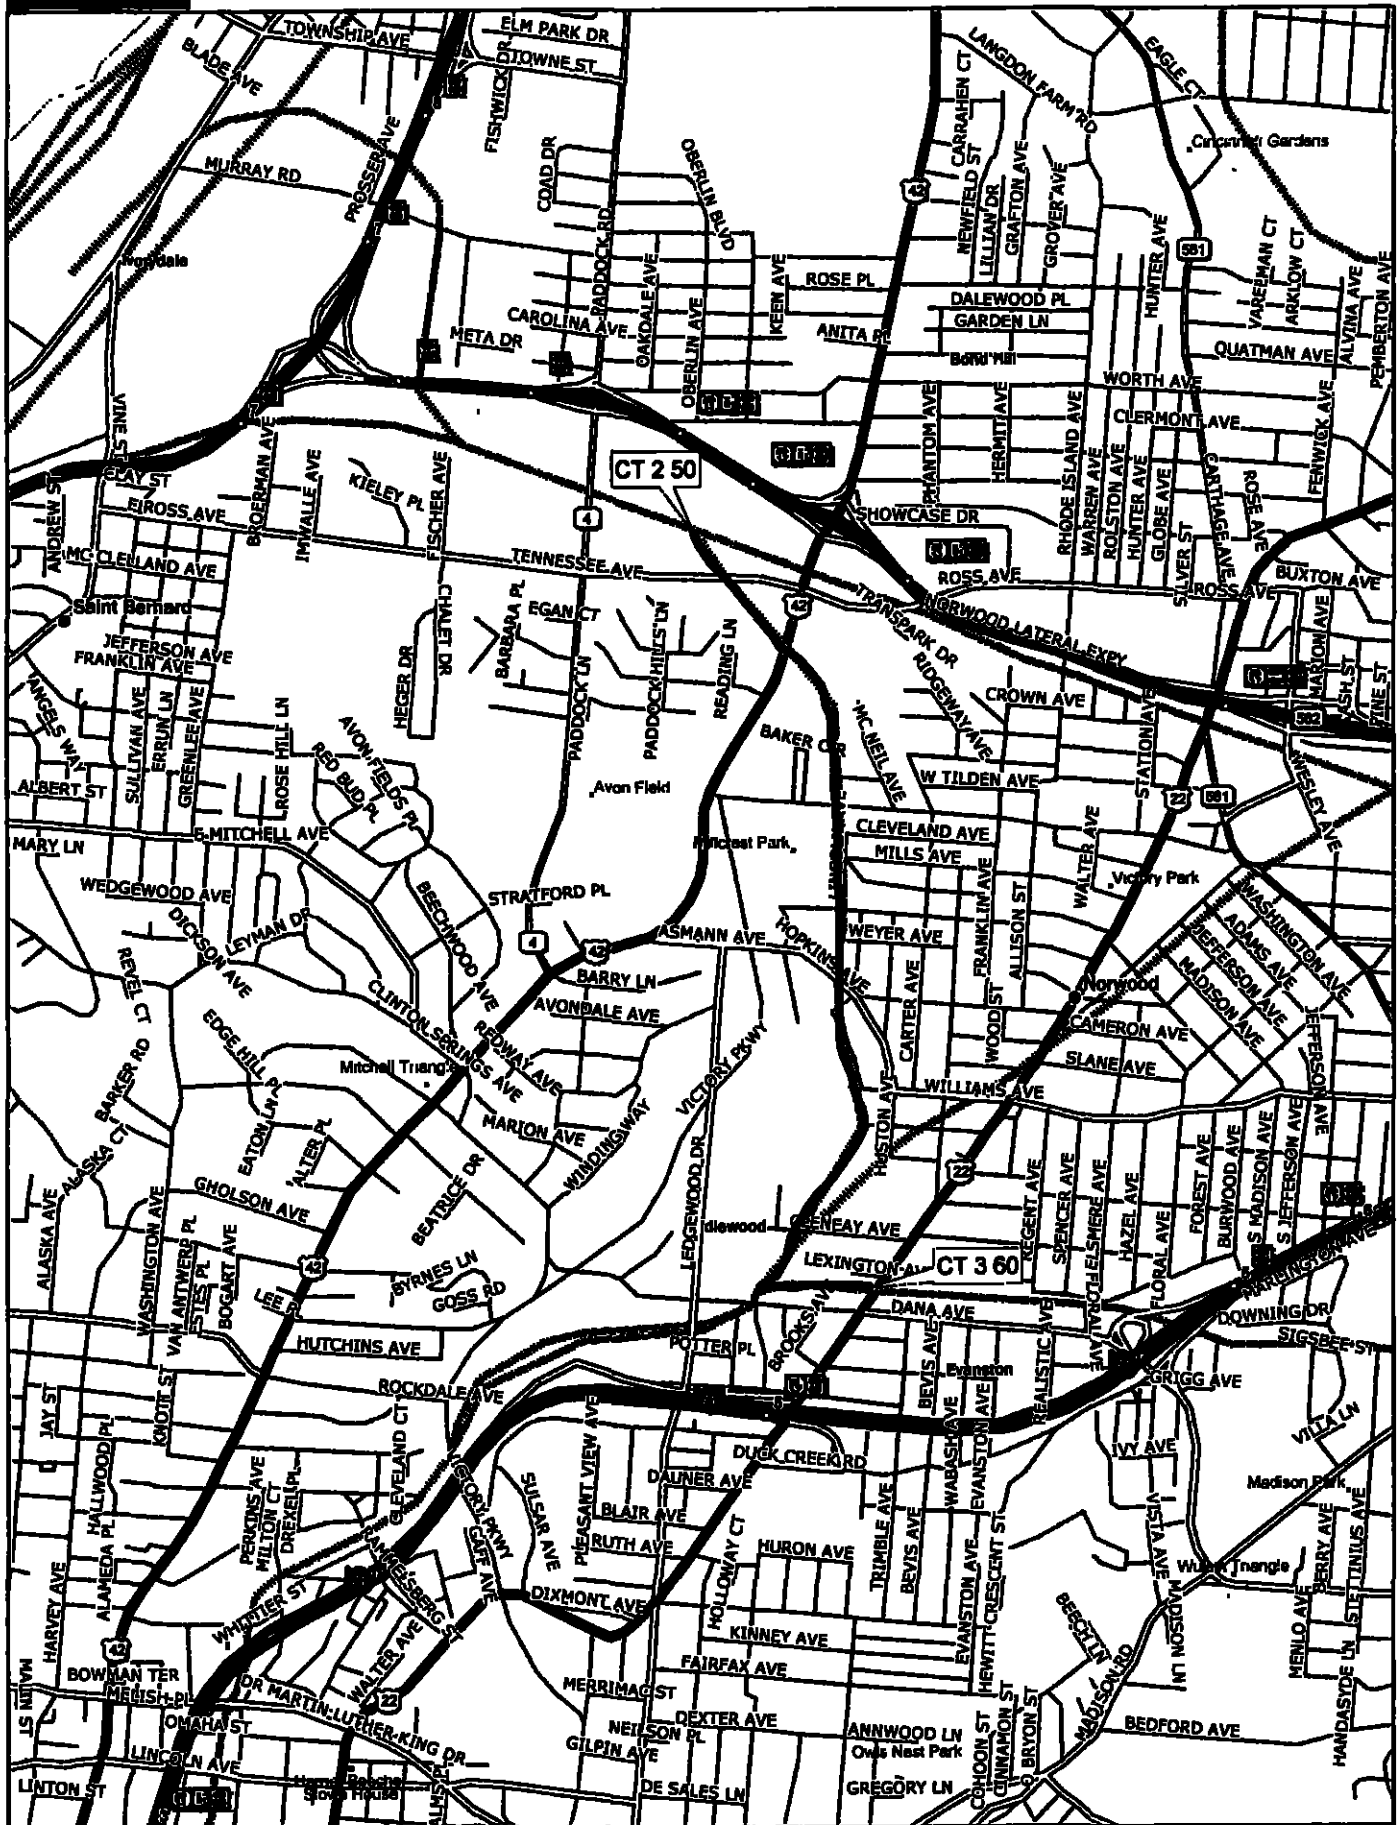

Please note that the mileposts are the same on both versions of the map and the
correct mileposts appear in the historic and environmental reports, the newspaper
notice and the notice of exemption. The map on pages 10 and 23 more clearly depicts
the layout and curvature of the track.

If you require any additional information, please do not hesitate to contact me. I
apologize for any inconvenience to the Board that this may cause.

Yours very truly,

James R. Paschall
