STB Finance Docket No. 35147

**CERTIFICATE OF SERVICE
U.S. CLAY PRODUCERS TRAFFIC ASSOCIATION, INC.**

This is to supplement the Certificate of Service attached to the Notice of Intention to Appear e-filed by the U S Clay Producers Traffic Association ("Clay Producers") on July 10, 2008. That filing included a certification that copies were being served upon all parties of record

Pursuit to the Board's Decision of July 24, 2008, I have compared our service list records to the listing of Parties of Record set forth on the Board's July 24th decision and certify that to the extent our prior filing was not served upon such parties, service has now been accomplished and that all Parties of Record will be served in the future.
