Re: Finance Docket No. 34890, *PYCO Industries, Inc. - Feeder Line Application - South Plains Switching, Ltd. Co.*

Dear Ms. Quinlan:

Please refer to the Reply in Opposition to Motion for Enforcement or Clarification filed by South Plains Switching, Ltd. Co. on March 3, 2008. In Section II of that Reply at pages 3-5, it was pointed out that the Board's decision served August 31, 2007 clearly provides that trackage at Burris, TX is not included in the feeder line sale that is the subject of that decision.

As additional support for that point, reference is made to the Board's decision served January 11, 2008 in Finance Docket No. 34889, *et al. PYCO Industries, Inc. -- Alternative Rail Service*, at page 6, where the Board refers to "SAW's trackage at Burris, TX" and "SAW's Burris tracks".

South Plains Switching, Ltd. Co. urges the Board to issue a decision declining to clarify or enforce the decision served August 31, 2007 in the manner requested by PYCO Industries, Inc., on the ground, among others, that the feeder line sale did not encompass SAW's trackage at Burris, TX.

Very truly yours,

Thomas F. McFarland
