Subject: Re: Surface Transportation Board issues Draft EIS and Notice of Public Comment Period and Meetings

Good afternoon,

I have a question. Will this railroad be solely for oil and fracking or will there be a passenger train that folks can take?

Thanks,

Nancy

Have a Great Day!

Subject: Surface Transportation Board issues Draft EIS and Notice of Public Comment Period and Meetings

The banner features the Surface Transportation Board seal on the left, which includes an eagle and the text "SURFACE TRANSPORTATION BOARD" and "1996". To the right of the seal, the text "Uinta Basin Railway" is displayed in a large, bold, white font. Below this, a dark horizontal bar contains the words "ENVIRONMENTAL IMPACT STATEMENT" in white, all-caps font. The background of the banner is a landscape photograph showing a wide, flat valley with sparse vegetation and distant mountains under a clear sky.

Today, the Surface Transportation Board (the Board) issued the Draft Environmental Impact Statement (EIS) for the proposed Uinta Basin Railway for your review and comment.

[Click here](#) to view the Draft EIS. Comments can be submitted during the 45-day public comment period, including at six online public meetings to be held during the comment period.

Please visit the Board-sponsored project website at www.uintabasinrailwayeis.com for project-related updates, documents, instructions on how to submit comments

electronically, by mail, or at an online public meeting, and to register for an upcoming online public meeting.

Thank you for your continued participation in the Board's environmental review process for this project.

Uinta Basin Railway Environmental Impact Statement | Surface Transportation Board, c/o 9300 Lee Highway, Fairfax, VA 22031
